The screenshot shows a website for a meat products company. At the top, there's a navigation bar with a logo, search icon, location (Jakarta), and links for About Us, Products, and Recipes. A banner with the text "Fresh & Tasty Steaks" and a "Shop Now" button is displayed over a background image of a raw steak. Below the banner is a section titled "OUR PRODUCTS" with a grid of circular images showing various meat items like ham, sausages, and steaks. The main content area has a yellow header "Hot Picks" and a section titled "FEATURED PRODUCTS" showing four items of "Mutton Liver Chunks". Below this is a "View All Products" button. The bottom section, titled "MEAT CUTS", features diagrams of a pig and a cow with their respective meat cuts labeled.
